The Parish Register

OF

ALDBOROUGH

(W.R.)

Vol. I

1538—1611

TRANSCRIBED AND EDITED BY

SIR T. LAWSON-TANCRED, BART.

PRIVATELY PRINTED FOR
THE YORKSHIRE PARISH REGISTER SOCIETY
1940

MADE AND PRINTED IN GREAT BRITAIN
BY JOHN WHITEHEAD AND SON, LTD., BOAR LANE, LEEDS

PREFACE

The Ecclesiastical Parish of Aldborough used to include the following townships—Aldborough, Boroughbridge, Upper and Lower Dunsforths, Elinthorpe, Minskip, Roecliffe, and parts of Clareton, Coneythorpe, Humburton, Kirby Hill, Milby, and Ouseburne.

The present Parish has become much curtailed.

The Register begins in the year 1538 and is bound up into two volumes. Vol. I extends from 1538 to 1703 and Vol. II from 1704 to 1754.

After 1754 Marriages are entered in separate volumes, but Births and Deaths are continued in Vol. II from 1754 to 1791.

A good general account of this Register is given by Dr. A. D. H. Leadman in the *Y.A.S. Journal*, Vol. ix, p. 189. He gives a list of the inscriptions on the tombstones in the old churchyard (which has since been closed). Many of these inscriptions have become illegible since his time.

The present printed volume contains that part of Vol. I of the Register which extends from 1538 to 1611.

The thanks of the Society are due to the present vicar for allowing the Register to be printed, and to his predecessors for allowing a transcript to be made.

Thanks are also due to Mr. John Charlesworth for indexing the volume and correcting the transcript with the original.

Francis Earle does not appear in the List of the Bishops of Exeter as given by Crockford : the note on p. 33 appears to be erroneous.
